Giant 4-H Youth Rally Band and Choral Show At Salem Central High

PADDOCK LAKE, Wis. — More than 160 youngsters from throughout Wisconsin move into the Lake Region Friday for a giant 4-H Youth Rally.

Highlight of the funfest will be the 4-H Club Band and Choral Concert at 8 p.m. in Salem Central high school.

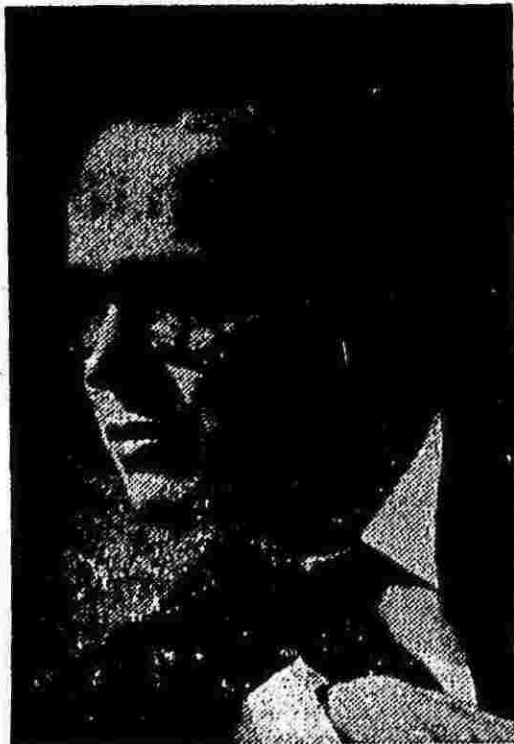

This marks the first time in history that the state band and chorus have gone on tour. Previously the groups appeared only in Madison during state 4-H week, and at the state fair in Milwaukee.

The band is directed by William L. Johnston, an assistant professor of music at the University of Wisconsin Extension music department.

Altar and Rosary Meets Monday Night

St. Peter's Altar and Rosary Society will meet in the School Hall Monday evening following Forty Hours Devotion in Church at 7:30 p.m.

Past President's night will be observed. Some 17 past presidents have been invited to attend the meeting.

The Medical Missions committee will be in charge of refreshments. Mrs. E. B. LaPlant is chairman of the committee and assisting her will be Mesdames Irving Forster, Charles Hall, Wm. Hynek, Peter Kisel, Arthur McGreal, Irving Paddock and Lois Smoc.

All members and guests having November birthdays will be honored.

Mrs. John Harrison, Jr., Retreat chairman, has scheduled a Day of Recollection for Tuesday, Nov. 8. A special Mass will be said at 9 a.m. and will be followed by conferences until noon. All ladies of the parish are urged to attend.

Kerner Blasts G.O.P. Group At Lake Villa

That special helicopter landing pad that well-meaning Republicans built for Gov. Stratton at the Lindenhurst Shopping Plaza took another boot this week from Stratton's opponent, Otto Kerner.

The Democratic gubernatorial candidate, a summer resident of Antioch, took Stratton to task in a speech in the Rainbow Gardens, Chicago, and another at the Belgian American hall.

"Evidence indicates the present governor thinks of himself as above the law in his own, private domain," he said.

The landing pad was built to accommodate the governor's recent visit to this area, sponsored by the Lake Villa Township Republican organization.

Flout Law

"We have seen the law flouted in Stratton's behalf," said Kerner, "when they built a Lake County landing pad for his helicopter with state equipment, state manpower, state machinery and state materials."

Kerner told crowds the law was flouted "by his (Stratton's) associates, who have felt they could make free with state owned property."

"Never," he said, "have we seen or heard any objection from Stratton until, perhaps, the newspapers reporting the violation made him flutter a little with indignation."

Stratton, meanwhile, has sent press releases to papers throughout the state saying he has received election endorsements from 46 "key downstate newspapers."

Elect County Officers

Five county offices are up for grabs at Tuesday's election: coroner, state's attorney, auditor, recorder, and clerk of Circuit court.

A hard-hitting Republican team, led by Coroner Robert H. "Mickey" Babcox and containing four incumbents, is considered unbeatable.

Babcox's running mates are State's attorney Bruno W. Stanczak; (continued on page 5)

Postmaster Calls For Snow Removal

The approach of winter always means extra work for your mail carrier.

Postmaster Roy Kufalk of Antioch today issued the following reminders to patrons regarding snow removal:

Where weeds along a highway or road traveled by rural carriers may cause snow to drift, they should be removed before the beginning of the snow season.

Patrons are expected to see that roads are opened after heavy snows so it will be possible for rural carriers to travel them.

Patrons are also required to keep the approaches to their boxes cleared of obstructions, including snow, which make it difficult or impossible for the carrier to serve the boxes without getting out of his vehicle. Unless approaches are cleared within a reasonable time after heavy snowfalls, it may be necessary to temporarily withhold deliveries until the impediment has been removed.

Rural carriers are not required to perform service on foot when roads cannot be traveled with the conveyances ordinarily used by them, but they are expected to make every reasonable effort to serve as many of their patrons as possible without undue physical exertion or financial expenditure.

If excessive detours are necessary in order to effect delivery of mail, patrons should relocate their boxes temporarily, arrange to receive their mail through other patrons' boxes, or make other suitable arrangements to receive their mail until the roads are again traversable.

Kufalk also announced that bids for a car for a substitute mounted mail carrier will be taken at the post office during the next 10 days.

Dutch Elm Disease Problem May Force Village to Act

SECOND PLACE WINNERS in the grade school division of the Halloween window decorating contest sponsored by the Antioch Chamber of Commerce, were Carol Gerber and Gay Bruhn. They used the front window of The Antioch News for their bit of art, working Wednesday and Thursday afternoons after school on the project. First place in the grade school division went to the Lakes Company, route 173 and 59, and third went to King's Drug store on Main street. Judges were Mrs. Robert Bemis and Mrs. George Grunow.

PUMPKINS BEING GIVEN AWAY to area grade school youngsters by members of the Antioch Chamber of Commerce are shown in this photo taken after school at the village parking lot. Many of these pumpkins appeared as Jack O' Lanterns in the Chamber of Commerce sponsored parade Friday evening. Five hundred pumpkins were on hand to be dished out. Younger children, who got out of school first, were given first choice. Parents had to help carry some of the larger pumpkins home. (Antioch News photo)

It Took More Than a Pouring Rain To Scare Our Spooks on Halloween

"It was one of the quietest Halloween's ever," said Herman Holbek, police commissioner for the village of Antioch.

"No damage was reported, and the one glass broken could have been something else," Holbek reported at Tuesday's village board meeting.

A steady downpour of rain failed to dampen the spirits or scare any goblins on Halloween night.

Children of all ages were out trick or treating dressed in typical spooky attire.

The trick was the weather but treats were generous.

Many parents accompanied their little ones as they walked from place to place in the cold rain, and others drove them in cars from house to house.

For some this event was their first and had been looked forward to for weeks.

One mother commented of her little boy, "He has been talking about this all day. Do you think I could keep him home and wait another year because it rained?"

Masks were on crooked and skirts

were dragging, but the little ones continued where some parents did not. Their sacks full of treats soon began to rip and tear from overloading and the rain.

One housewife said she really started something when she gave one of the youngsters a fresh sack for his goodies. Pretty soon the word had spread that hers was the house where "the nice lady gives you a new sack."

All in all it was a quiet evening but there may be a lot of after Halloween noise when little noses start honking.

Antioch Teen Ager Named In Law Suit

A \$100,000 suit has been filed in Circuit Court, Waukegan against an 18-year-old Antioch girl.

Merry C. Mortensen, 1010 Spafford St., was named defendant in a suit filed by a Chicago newspaper man, Robert Sanford, on behalf of his 17-year-old daughter, Linda Sue.

Miss Sanford was a survivor of the Oct. 9 auto crash at Rte. 83 and Rock Lake Rd., Kenosha County, in which a Girl Scout leader was killed and four others injured.

The victim of the fatal crash, Miss Winifred Hertzler, 35, of Chicago,

the scout leader, was driving Miss Sanford and several other Girl Scouts back to Chicago from an overnight trip to Wisconsin when the Hertzler auto and one driven by Miss Mortensen collided at the intersection.

Miss Mortensen, who was celebrating her birthday, is charged in Sanford's complaint with speeding and negligence.

Sanford said his daughter, a nursing student, may lose the sight of one of her eyes as a result of injuries suffered in the crash.

He is seeking criminal action against the Mortensen girl in Kenosha County.

Pizza Parlor Opening Here

Nick and Ellen's Restaurant at 374 Lake st. is now a Pizza Parlor—Nick's Town Pizza.

"It is the only pizzeria in town for people of all ages," said Nick Badame, operator of the restaurant here for the last two years.

The newly-remodeled eatery will serve breakfasts and luncheons as usual, starting at 6 a.m. and will remain open evenings as long as the area's pizza appetites hold out.

Discuss Action To Force Owners To Burn Trees

Antioch Village officials, alarmed at the spread of Dutch Elm disease, are discussing the possibility of legislation to force owners of diseased trees to dispose of them.

The seriousness of the problem, that has wiped out shade trees in many Illinois communities, was a major topic of discussion at Tuesday night's village board meeting.

"At least 8 or 10 trees have been lost to the disease and disposed of, but as many are diseased and still standing," said Edgar Simonsen, superintendent of public works.

Village board president Murrill Cunningham proposed new measures.

"If the people won't get rid of their diseased trees then we may be forced to pass an ordinance requiring property owners to cut down their own elms."

"Failure to do this would result in the village cutting down the trees and the property owner would be assessed," said Cunningham.

Growing Problem

The problem is a growing one of great concern. With each tree left standing that is diseased, more trees are susceptible to the dreadful disease.

Trustees also discussed the following matters:

1. The leak on Victoria street, which is somewhat of a mystery, and to which Simonsen replied that he had tried everything including the "ouija stick" and nothing works.

2. A request for a new snow plow for the village, made by trustee John Blackman, was refused for lack of funds. It was agreed that the old one would be fixed up for the time.

3. Motion carried to order a new tank for the fire truck, which the fire department badly needs, according to trustee David Nissen.

4. Annexation of new property to the village.

5. Motion to file a petition for tax exemption on new sewage disposal property.

A special meeting was set for Friday night to discuss sewage disposal.

Antioch Man Graduate of FBI School

Chief Deputy Sheriff Charles E. Larson of Antioch is among 65 top law enforcement officers from around the country who graduated Wednesday from the FBI National Academy in Washington, D.C.

These outstanding men, representing 39 states and the District of Columbia, increase the number of FBI National Academy graduates to a total of 3,943.

"These highly trained specialists return to their respective departments to pass on their knowledge to fellow officers and to serve as police administrators," said J. Edgar Hoover, F.B.I. director.

The graduating class was addressed, by Gen. Lyman L. Lemnitzer, chairman, Joint Chiefs of Staff, and President-Elect John C. Satterfield of the American Bar Association. Deputy Inspector John P. McCarthy of the New York City Police Department, President of the graduating class also spoke.

Diplomas were presented by Deputy Attorney General Lawrence E. Walsh.

Julius M. Lopez, special agent in charge of the Chicago office of the FBI, said the citizens of this area can be "justifiably proud" of Larson for his successful completion of the intensive 12-week training program.

The vigorous schedule included practical training in all the latest techniques and developments in law enforcement, as well as lectures from noted authorities in the fields of law, education, medicine, journalism and police administration.

The Oakland Grade School PTA will hold their regular meeting Monday, November 7.

Mrs. Marian Harden, Antioch Township Librarian, will have a display of books and give a short talk about them.

DEAR READER News Editorials

IT'S YOUR SAY, NOW

Two summers ago this newspaper suggested, in an editorial, that Gov. Stratton would be putting himself to a lot of trouble if he bothered to run for a third term.

And our representative in the State Legislature, W. J. Murphy, followed it up with a letter to the editor more or less informing us that we were nuts.

Well, time has passed and the campaign is not running smoothly. We won't know until Tuesday night, however, if the bother our good governor is going to have been worth it.

We know that our great state will survive whichever candidate is victorious — Bill Stratton or Otto Kerner.

The Main Thing is that we will be at the polls Tuesday to make sure we have our personal say about it.

Your one vote Tuesday will be just as big as ours — and the most important thing in the world for both of us is that you do your duty and mark your "X" in front of the man you think will do the very best job.

Courthouse Notebook —

BY LOU DURKIN

Predicts G.O.P. Victory

Despite an unusually aggressive campaign on the part of two of the Democratic candidates for county office it is unlikely that there will be any change in the administration at the courthouse following Tuesday's balloting.

The only change will be the replacement of County Auditor Robert J. Pearsall by John Darrow, North Chicago, city clerk who was a successful candidate for the GOP nomination for auditor last spring when Pearsall announced he would not seek re-election to the post he has held since 1932.

The only Democratic candidates to make serious bids for election at the county level were Donald T. Morrison, candidate for state's attorney, and William Gyzen, candidate for coroner.

Morrison was handicapped from the start not only because he is a political unknown and unknown in Lake County as an attorney, but because Lake County voters aren't too keen about electing a state's attorney with Chicago ties.

Morrison campaigned as though he felt he had a chance, but it is unlikely that any Democrat from Chicago will be elected to this vital office unless he starts four or five years in advance by practicing in Lake County even if it means being subsidized by the Democratic party.

Actually this would be a sound political maneuver because the state's attorney's office is not only one of the most important in the county, but by its very nature one of the most vulnerable.

State's Attorney Bruno W. Stanczak has done a good job in the office, but he is bound to make enemies even when he does a good job of prosecuting offenders and enforcing the law, and of course if he doesn't do a good job he is vulnerable again.

Gyzen worked hard, but without much support from the Democratic organization which concentrated its efforts on the presidential and gubernatorial candidates.

He had a tremendous disadvantage because Micky Babcox has had two terms as coroner and has distinguished himself as a good hardworking official who is well-known throughout Lake County.

The other Democratic candidates are political unknowns who apparently sacrificed themselves in order to complete the ticket or possibly so they would have a claim for political patronage if the Democrats should win the state or national elections.

While the county candidates appear to be home free their running mates at the state and national level may have more difficulty in Lake County.

Although there is little chance that Lake County will fail to provide a victory for Gov. William G. Stratton and Vice President Richard M. Nixon there is some concern about the size of the plurality.

Bud Wilkinson, famous coach of the University of Oklahoma Sooners, once said, "The difference between a winning and losing football season at Oklahoma depends on whether the ball carriers fall forwards or backwards when they are tackled. If they fall forward it means they have put forth that little extra effort that is the difference between winning and losing."

Bob Milton, chairman of the Lake County Republican Central Committee, uses the same idea in urging just a little more effort out of his precinct committeemen.

"If we can get just a few more votes out of each precinct than we ever got before it will mean that the precinct committeemen are putting forth that little extra effort," Milton points out.

Or put another way, "For want of a vote a precinct was lost and for want of a precinct a nation was lost."

To Burn or Not To Burn — Dry Leaves

"To burn or not to burn," muses Mr. Average Home Owner as he balefully stares at autumn's leaves smothering his well-tended lawn.

William Nelson, University of Illinois landscape specialist offers this advice: Rake and burn leaves if any plants are afflicted with disease; otherwise the disease will overwinter in the ground or leaves.

Check for blackspot on roses, any leafspot on trees and shrubs and other diseases.

If no diseases are lurking around, leaves make a satisfactory mulch for winter. Use them for mulching flower beds, roses, evergreens and other plants. However, remove them next spring, as they are dense and will keep out air and moisture during the growing season.

Even if leaves are not needed for mulching, rake them anyway.

Give Baby Sitter Full Instructions

By Mrs. Gertrude Gobbel
Child Development Expert

URBANA — Take time to give definite instructions to your baby sitter before you leave your child in her hands.

This is one of the best ways to insure good service from your sitter and be able to feel at ease while you're away.

Since children and situations vary, be sure to tell the sitter about any special conditions that exist.

They might include such things as what medicine to give Junior; what noises to expect in the house; how to work special appliances and what to do with Homer, the pet dog.

Then run down the list of other information you think the sitter

will need in order to care adequately for your children.

Here are some of the facts to include in this "prep-talk" before you leave:

(1) Where and how to reach parents in emergencies; (2) what to do in case of illness, accident, fire or other emergency; (3) when to expect parents back.

Also (4) what schedule to follow for children's care; (5) where to find changes of clothing and bedding and (6) how to find and use extra fuses, light switches and thermostat.

Also spell out what arrangements have been made for the sitter's comfort. These include such things as snacks, books and magazines and use of radio, record player or TV.

Don't forget to tell the sitter your wishes about entertaining other, handling callers and locking doors while you are gone.

President Will Help Dedicate McCormick Place

The president-elect of the United States, barring unforeseen developments, will speak November 18 at ceremonies opening McCormick Place and the Modern Living Home and Flower Show, the first event at Chicago's \$35,000,000 lake front exposition center.

Both Vice President Nixon and Senator Kennedy have accepted invitations to attend the dedication.

The ceremonies would include a Summit Conference on Industry, Labor and Commerce which will be attended by business and labor leaders from all over the free world.

More than 500 guests from this country and abroad are expected to attend the reception and dinner at McCormick Place at which the next president will speak—just ten days after the election. They will also be the first visitors to the Modern Living Show, which, because of the enormous facilities at McCormick Place, will be the largest home show ever produced.

Now Series On Schools For WTTW-Channel 11

The question, "How good are our schools?" asked by anxious parents in a time of increasing enrollments and teacher shortages, will be answered in a 13-week program series, **THE SCHOOL STORY**, to be offered on WTTW-Channel 11 beginning Friday at 8:30 p.m.

Produced by the National Educational Association and Affiliated State Education Associations, the series will review the problems, aims and achievements of education in various parts of the United States.

The purpose of the series is to illustrate what every good school should be equipped to do.

The first program describes interesting facts about school operations discovered by a young reporter in his investigation of mismanagement of taxpayers' money.

The average daily attendance of all pupils transported by public school buses in Illinois for the school year 1958-59 was 343,424. Of these, 325,437 pupils were public school pupils and 17,987 were from non-public schools.

Rainbow Girls To Meet Nov. 14

The Antioch Assembly, Order of Rainbow for Girls, will meet at 7:30 p. m. November 13, at the Masonic Temple.

The first two weeks in November the girls will visit various assemblies for the official visits of Miss Valerie Knox, grand worthy advisor of the State of Illinois.

On November 5, some of the girls will go to Jewell Assembly in Chicago, and on Nov. 7, they plan to visit Rockford. On the 11th, Antioch girls will go to Millburn Assembly. Mrs. R. Brown and Mrs. Wilma Gibbs will accompany the girls on these visits.

On November 4, members of the Grand Assembly of the Order of Rainbow for Girls will exemplify their work for the Eastern Star Chapters and Masonic members. It will be held at 7:30 p. m. at the Scottish Rites Temple in Chicago, with the Worthy Grand Matron, Adeline Wetmore, presiding.

From Antioch chapter, Mrs. Martha Hunter will be the general chairman, Dee Stillson, Grand Representative to North Dakota, will serve as Worthy Associate Advisor for the evening and Patricia Brown and Marguerita Gillum will sing in the combined choir. Joan Wagner, Mrs. Brown and Mrs. Gibbs will accompany this group.

Methodist Men Give Scholarship

The Methodist Men of the Lake Villa Community Methodist church have announced a Methodist Men Scholarship.

The purpose of this scholarship is to provide an opportunity and assistance to a worthy young male member of the church to attend college.

The scholarship is awarded on the basis of moral character, intelligence, leadership and need. Moral character is interpreted in the dynamic sense to mean active moral leadership in the home and/or community as demonstrated by active participation in recognized agencies exerting moral forces, such as church, school, scouts and others.

The scholarship is for \$200 per year and will be allocated to the recipient in amount of \$100 prior to registration each semester.

The Scholarship Committee for 1940-41 includes Henry Reidel, president of Methodist Men; Warren O. Brown, chairman official board, and Robert Henderson, lay leader.

Edlith Mae Bruski Entertains Friends

Miss Edlith Mae Bruski, daughter of Mr. and Mrs. James Bruski of Grass Lake, entertained friends at a Roller Skating Party at Twin Lakes Rink recently.

Those attending to wish Edlith a happy 10th birthday, were Susan Masek, Susan Deitrick, Joy Herman, Lane Barthel and Michael Polley.

Invite Teenagers To Record Party

Teen-agers of this area who would like to participate in supervised dancing may now attend the Record Party, held every Thursday from 7:30 to 10 p. m. at the Lake Villa VFW hall.

This is sponsored by the Lake Villa VFW and the Coca Cola Bottling Company. (Dances also are held in Round Lake on Wednesdays, at Lakes Bowl.)

Bob Mack M. C.'s the dances, and when the treasury can afford it, Bobby Thrasher and his Corvettes play some music between records.

There are dance contests with prizes awarded, and a lounge adjoining the dance hall allows the young people to sit one out in style.

Schools of the area have been contacted and the principals have given their O. K. Parents are invited to attend and see what their teenagers are doing.

Rev. Herbert Duenow Reviews Enjoy, Etc.

Herbert H. Duenow, a leading book reviewer and dramatist, will review Harry Golden's book, "Enjoy, Enjoy," at the next meeting of the Antioch Woman's Club.

The meeting will be held Monday in the Scout House at 1:30 p. m.

Mr. Duenow, a minister of the Pilgrim Congregational church in Oak Park, is the originator of the dramatic technique in literary presentation.

The speaker, who appears before his audience without notes, is a master of the dialect.

Club members may bring guests to Monday afternoon's meeting.

MOOSE
TOPICS

The executive board of Winner Legion No. 74 will hold a breakfast meeting at the Waukegan Moose Home on Sunday, November 6, at 9:30 a. m. A date for the next ceremonial will be decided.

A fine time of fun and dancing was the report of Michael Tulumello, chairman at the Moose Halloween party last Saturday night. He also was master of ceremonies.

Prizes were given for costumes. The prize winners were Charles Nelson, Arthur Andersen, Victor Lukkeman, Mrs. Earl Arthur, Wally Good, Betty Laursen, Dick Stroner, Mrs. Michael Tulumello, Mrs. Harold Wilson, Earl Arthur, Patricia Hatfield, Clifford Laursen and Shirley Schiesser.

A free booklet, OASI-29a, "What If You're Disabled" explains what everyone should know about social security disability benefits.

Salem Area Has Busy Calendar

By Frances M. Murphy

Central High Party

The Community Club of the Central High School will sponsor a card party on Saturday evening, November 19 beginning at 8 p. m. at the high school. Proceeds of this party will go to Central High School Community Club Scholarship Fund. Prizes for all games, refreshments served, and a good time assured. Donations to the party will be 50 cents.

"Open House"
Monday, November 21, beginning at 7 p. m., teachers at Salem Central High School will hold "Open House." Parents of all students, and the general public is invited to meet the teachers and to tour the school. Members of the student council will act as ushers, so that every parent will be able to avail himself of a conference with any teacher. Special appointments for another time may be made that evening. Remember, all are invited.

Teachers' Convention
Teachers' convention November 3-4 at Milwaukee Arena will open at 9 a. m. All teachers will attend the morning sessions in a body. The sectional meetings for individual departments are held in the afternoon. Large displays of school material are found in the basement of the Arena. About 20,000 Wisconsin teachers will attend this convention.

Name Omitted
The name of Jim Ellingson, a 1940 graduate of Salem High was inadvertently omitted in the list of students attending college. Jim is a student at the Racine-Kenosha Rural Normal School at Union Grove.

Collect Clothing
Beginning Monday, November 7, students in the Salem Central High School District will collect bundles of used clothing to aid needy children and adults in the United States and overseas. This year the clothing drive will be sponsored by the FHA girls. This is part of a nationwide campaign sponsored by World Clothing Fund, Inc., a non-sectarian charitable organization which assists orphans and other needy children and adults.

Students received circulars to take home, explaining the purpose of the clothing drive, and asking the cooperation of parents and neighbors. We hope everyone will "look into his Heart and his Closets."

All types of clothing are needed: for babies, children, teen-agers and adults, as well as shoes, caps, mittens and bedding.

The Antioch Grade School Band Parents sponsored a skating party October 20 for the grade school children.

In the course of the evening, those present who had birthdays, Clarence Lux, Chuckle and James Smith, Janet Roberson and Betty Cheetham, were surrounded by their friends in a circle and the group sang happy birthday to them.

Lindenhurst Woman Stricken Monday

LAKE VILLA.—Mrs. Mary D. Silvestro of Lindenhurst was taken to St. Therese hospital in Waukegan Monday after she suffered an apparent heart attack.

A neighbor was taking her to a physician when she became unconscious in the car near Grand Ave. and Rt. 21, and the Lake Villa Rescue Squad was called.

Round Lake Man Killed At Work

William P. Sullivan, 44, of 725 Turkey Run dr., Round Lake Heights, was killed Saturday while at work on a Chicago construction site.

Mr. Sullivan was a foreman for the S. N. Nielsen Construction Co., in Chicago.

Surviving are his widow, Loraine; three sons, William Jr., Waukegan, Donald and Phillip D. Sullivan; two daughters, Patricia and Evelyn, and a brother, Edward.

Funeral services were held Tuesday in Round Lake, with burial in Avon cemetery.

Flag raisers had to be fast at the McMurdo Sound naval air facility in Antarctica on April 27, 1960, as there were only five seconds between sunrise and sunset. This marked the beginning of the Antarctic winter night.

Walter Gazda Service Held

Requiem Mass for Walter F. Gazda, 66, was said Wednesday morning in St. Peter's Church, after prayers in the Colonial Funeral home.

Mr. Gazda, of RFD 1, Box 85, died Saturday in Lake County Sanatorium.

He was born in Poland on April 19, 1894, and came to this country in 1913. He settled first in Chicago, and took employment with the Western Foundry there.

Mr. Gazda moved to Antioch eight years ago.

Surviving are his widow, Sophie; a daughter, Mrs. Bernice Lupa of Antioch, three other daughters, two sons, two sisters, and six grandchildren, all in Chicago.

Burial was in Mount Carmel cemetery.

Red Cross Group Offers Program In Area Schools

Enrollment in the Junior Red Cross program will be open through the month of November to students in all Lake County elementary, junior high, senior high and parochial schools.

Each year between 30,000 and 40,000 students enroll in the program sponsored by the Lake County chapter of the American Red Cross.

Mrs. John Kyndberg, 2011 Poplar Waukegan, Junior Red Cross chairman said today:

"At the beginning of each school year, the principals of the schools in the county are contacted to see if they wish to participate in the program. A teacher-sponsor is then appointed to direct and coordinate the Junior Red Cross program. Last year there were 70 schools participating with a total enrollment of 36,000 students. This year we hope to increase the number of students and have a more active program for them."

Produce Items

Junior Red Cross members produce thousands of items annually for hospital use. Tray favors, nut cups, tray place mats, manual training items, writing and toilet kits, and cookies and candies are among the things made.

These are sent to patients at the Downey Veterans Administration Hospital, the Naval Hospital, the Lake County Hospital, the Tuberculosis Sanatorium, and the County Home in Libertyville. Stuffed toys are also made each year for the children at the Dixon Hospital, Dixon, Ill.

More than 3,000 gift boxes are made and filled each year by county JRC members for distribution in disaster areas overseas. Each box contains school and health supplies for a boy or girl.

Funds Restricted

Money donated for enrollment in Junior Red Cross is restricted to use by and for children only. A portion is sent to National Red Cross headquarters in Washington, D. C., and entitles the school to copies of the monthly JRC News or Journal. The remainder of the money is held by the Lake County chapter in a JRC service fund. This fund is used to purchase supplies for local projects or to send students to JRC training centers.

The fund is also used for children in need or in disaster areas in the United States or overseas. A recent example was the \$25,000 sent to the Chilean children by the National Junior Red Cross when that country was devastated by earthquakes and floods in May.

Attend Meetings

Members of the Lake County Junior Red Cross have attended various national and international activities in the past. Miss Melody Douglas of the Lake Forest High School was a delegate to the PRC workshop and training center for the midwestern area, held at Wichita, Kans., last June.

Miss Douglas and Miss Carol Merkel of the Warren Township Township High School attended the National Red Cross convention in Atlantic City in May. Charles Wilhelm of the Libertyville-Fremont High School was the Lake County delegate to an international JRC conference held in Toronto, Canada, during August, 1959, at which 30 countries were represented.

During the summer months, Miss Barbara Becklian and Miss Julie Henderson of the Waukegan Township High School served as staff aides at chapter headquarters, 308 Julian St., Waukegan. Participating in such activities gives the JRC member an opportunity to help others, to learn leadership, and to promote better international understanding.

Junior Red Cross is founded on the assumption that volunteer service and genuine concern for the welfare of others is of basic importance in a democratic society.

Fund Raising Dance Planned By Men's Club

By Mrs. Bernice Bernau
ELIOT 6-5649

LINDENHURST — The Lindenhurst Men's Club will meet tonight (Thursday) at 8 p.m. in the Lindenhurst Men's Club on Grand Ave.

Ted Brendel is president and invites all men in the community to attend these get-togethers.

Business for the evening will be the final preparations for the Community Center Fund Dance Nov. 12 at the Men's Club. Tickets are going good, but there are some people who haven't purchased any yet. Any member of the Men's Club or the Ladies' Auxiliary can provide tickets. It is hoped that everyone in the village will cooperate to make the building fund dance a success. Our children, especially, need a place where they can go to without leaving the village.

Dr. Jindrich Laurich, physician and surgeon, has opened his office of general medical practice on Grand Ave. in the apartment building a half block west of the shopping center.

Dr. Laurich and his wife, Blaza, were both born and raised in Czechoslovakia. He was graduated from medical school in Munich, Germany, in 1956, and served his internship at McNeil Memorial Hospital in Berwyn. He practiced medicine for two years in South Dakota until he came to Antioch last summer and became associated with Dr. A. N. Berke. He plans to move into the medical center in the plaza when it is opened in the fall.

Pancake lovers can eat their fill at the Pancake Breakfast to be held at the Prince of Peace Church in Lake Villa, Sunday, Nov. 13. The affair is sponsored by the Holy Name Society. Breakfast will be served after every mass.

Lee Lewis of Valley Drive and Woodlane Drive came home from the hospital Monday. Lee's mother, Mrs. Irene Lewis, and his uncle, Walter Young, both of Berwyn, were house guests over the weekend and stayed until Lee arrived home.

Mr. and Mrs. Ralph (Mary) Stangel of Deerpath Drive, were hosts at a Halloween party Saturday night. Couples attending were the Roos, Lola and Emert, who came as cannibals; the Crutchfields, Bill as a bum and Mary Lou as Zorro; Joe and Ann Ziaja as two disreputable bums; Harold Murawski, a member of the volunteer police, pulled a switch and came as a convict. His wife, Arlene, came as a bum. John

and Lois Peterson both came as girl ballerinas. Ralph Stangel was dressed as Castro, and Mary a clown. Rudy Lipmann wore a calypso outfit and Marion came as a sailor. Don and Mary Frances Gibson of Wisconsin came as a Colonial couple, complete with a hoop skirt. Bob Sullivan dressed as a bum and Irene a real mammy.

The Lindenhurst Garden Club will meet this evening at the Venetian Village Civic Association. The meeting will be brought to order at 8 p.m. by the president, Mrs. Lois Ringsteyer.

Program co-chairmen are Mrs. Ardele Schultz and Mrs. Delores Meier, who will give general care hints on African violets and geraniums. Venetian Village, Milmore and Lake Villa residents are invited to attend.

The "Wood-Chicks" gathered at Mrs. Joyce Maloney's home on Thornwood Dr. Oct. 19. Bingo winners were Dee Flint, Norma Gibbs, Sheila Prybylo, Esther LaChance, Beverly Tomasik, and Ann Hartokollis. Other girls attending were Evelyn Brauer, Peggy Kary, Evelyn Dusek, Anita Romano, Nancy Kleffner and Sally Keppeler.

The girls presented Sally with a going away present. She and her husband are moving to Wisconsin this weekend.

After the games pumpkin pie and coffee were served.

The Friday Night Canasta Club met at the home of Mrs. Mel Uebele on Hawthorn Dr., Oct. 28, for a Halloween party. Guests came in costume. Names were drawn to select costume winners, who were Georgia Sutherland, Ellen Harsh and Ruth Berke.

All are invited to attend the Lake Villa Township Democratic rally and dance Saturday night at the VFW Club in Lake Villa. Sorenson's Vagabonds are providing the music. Anyone in precinct 5 needing a ride to or from the polls may call Steve Krakowski of Burr Oak Lane at Elliott 6-5444.

Mr. and Mrs. Ron (Shirley) Coles of Valley Drive celebrated their fifth wedding anniversary, Oct. 29. Ron is our Juvenile Officer and organizer of the Junior Police Club. They have two boys, Steven, 4, and Richard, almost 3.

Mrs. Andrew (Edith) Westburg of Woodlane Drive and Mrs. Sam (Mary) Loblillo, of Countryside Lane, gave a baby shower for Mrs. Anthony (Anita) Proce of Countryside Lane at the Loblillo home last Wednesday. Bringing gifts for the expected baby were Mesdames Mary DiSilvestro, Zella Bechtol, Florence Haber, Gert Smith, Clare Langager, Elaine Randall, Helen Skelton, Lorraine Lewis, Shirley Coles, Dolores Meier, Kitty Flanning, and Ruth Lund of Round Lake.

The Proce have one daughter, Debbie, 5.

The Lochs, (Loyal Order of Cackling Hens) had a Halloween party with their husbands at the home of Mr. and Mrs. Steve (Nada) Romani on Deerpath Drive, Saturday evening. Guests came in costume.

Mrs. Albine (Betty) Burzinski of Sunset Lane was guest of honor when Mrs. Anita Romano and Mrs. Louise Gawronski gave a baby shower for her at the Gawronski home on Thornwood Drive, Oct. 25.

Attending the shower were Mesdames Nancy Kleffner, Peggy Kary, Esther LaChance, Dee Flint, Joyce Maloney, Evelyn Dusek, Beverly Tomasik, Sally Peppeler, and Norma Raatikainen.

Al and Betty have two daughters, Susan, 11, and Nancy 8.

Approximately 80 attended the sponsor's night at Corbin's Lounge last Friday after the games. The Lindenhurst Bowling League hopes to have a sponsor's night at least once a month.

Pat Amore of Grand Avenue is a patient at Victory Memorial hospital.

Johnny Kleffner of Beck Road celebrated his ninth birthday with a combination Halloween and birthday party last Friday. Attending the party were Jimmy Gawronski, who came dressed as a girl; Jimmy Shore, hobo; Jimmy Springer, rabbit; Jimmy Rox, clown; Jimmy Delgarde, clown; Jerry Dusek, girl;

Cities Populous In Ten Year Migration

Concentration of population in metropolitan areas of Illinois over the years has resulted in 76.9 per cent of the people now living on 17.5 per cent of the land area.

A report by the Illinois Department of Public Health on 1950-60 population data says that 15 of the 102 counties of the state contain 7,691,088 persons. The remaining 2,314,887 persons are in the other 87 counties.

Net population of Illinois for the 10 year period is 10,005,955 in 1960 compared with 8,712,176 in 1950, a gain of 14.9 per cent in the decade.

Eight major cities are the centers of the metropolitan areas. They are Chicago, Champaign, Decatur, East St. Louis, Peoria, Rockford, Rock Island and Springfield.

The five metropolitan areas that recorded migration gains during the last decade are as follows: Chicago, 212,766; Rockford, 23,274; East St. Louis, 19,449; Champaign, 8,809; Decatur, 2,651.

Areas outside of the eight metropolitan centers showed a migration loss of 180,613.

The migration gain for the entire state during this decade was 69,740. Excess of births over deaths for the state was 1,224,039 during the 10-year period.

Michael Karry, superman; Ricky LaChance, cowboy; Billy Flanagan, Indian; and Donald DiSilvestro, Frankenstein's monster.

Don and Sally Keppeler of Thornwood Drive will move from here. They have rented a home in Racine, their home town originally.

Thursday, Kurt had a party to celebrate his fourth birthday. His guests were Gary Romano, Chuckie Kleffner, Sharon and Janet Tomasik, Dawn Schimpf and his cousin, Heidi Ghanlynn, from Racine.

Mr. and Mrs. Frank (Helen) Partipilo of White Oak Drive are receiving congratulations on the birth of their first grandson, Mark William Vilmure, born Oct. 26 at Augustana Hospital in Chicago. He weighed 8 lbs., 11 ozs. Their daughter, Mrs. William (Roberta) Vilmure, lives in Mundelein. She also has a little girl, Laura Marie, 18 months old, now being taken care of by Mrs. Partipilo.

Ronald and Raymond are the proud uncles.

Mrs. Hubert Bechtol of Witchwood Lane was hostess for a Tara jewelry party Oct. 24. Twenty ladies were her guests. Mrs. Louise Gawronski won a pair of earrings as a prize.

Cub Pack 300 Has Fire Skit

Cub Scout Pack 300 of Antioch held its monthly pack meeting October 26 in St. Peter's church hall.

A lively skit on fire prevention by Mrs. Frances Bazar's Den One was complemented by many interesting displays on the same topic. Institutional Representative Jack Wells, who is an Illinois State Policeman, gave a short but vivid description of a fire caused by a child using matches, then gave the pack some points to remember in case a fire is observed.

Cubmaster John Warsing and Assistant Cubmaster William Lucas were presented with neckerchiefs from Scout Troop 92; at the same time, John Klecki was received into Boy Scout Troop 92 by Scoutmaster Jim Horton.

Refreshments were served by Mrs. Barbara Diemer and parents of boys in Den Three. Colors were presented and retired by Mrs. Irene Warsing's Den Two.

Cubmaster John Warsing presented Bobcat pins to Tom Nehring, Don Edwards, and Richard Carucci. Wolf badges were presented to Bill Verkest, Charles Hart, Donald Hart, and Raymond Brausam. Bear badges were given to Tim Wells, Terry Wells, Vincent Stonis, and Donald Dill. Gold arrows were presented to Scott Lucas and James Griffin. Gold and silver arrows were presented to James Topercer and Richard Warsing. Denner badges were given to Robert Lorenz, Randy Zelen, Alan Bazar and Richard Warsing. Vincent Stonis received an Assistant Denner badge.

A "thank you" scroll, signed by the Cub Scouts, was presented to Mr. and Mrs. John Topercer for the swimming party which they sponsored during the summer.

Pack 300 also participated in the "Get Out the Vote" campaign on Saturday, October 29, in conjunction with the national campaign of the Boy Scouts of America.

Illinois School Chief Speaks At Hawthorn Nov. 9

In recognition of National Education Week, George T. Wilkins, Superintendent of Public Instruction of Illinois will speak on the subject "Education's Challenge," when he appears as the guest of the Hawthorn School Community Club on Wednesday, November 9 at 8 p.m. in the school's gym.

Mr. Wilkins, who has an enviable reputation as a speaker, will be introduced by W. C. Petty, Lake County Superintendent of Schools.

Hawthorn School is located on Rt. 59A about one mile east of Rt. 45.

The public is cordially invited to hear Supt. Wilkins, and to join the Hawthorn School parents in their children's class rooms for the school's annual Open House following the speech.

There will be coffee and cookies for everyone, and it is hoped that guests, as well as parents, will stop at the Book Fair which will be opened that evening.

There will be a large and varied selection of children's books available to make it more convenient to select for the children's Christmas list the only gift that can be opened more than once—a book.

Library News

The Civil War will be one hundred years behind us, in the history of our country. But that fratricidal conflict still holds great interest for millions of Americans. Few books have portrayed the tragedy of the war and the greatness of the man who led our nation at that time as well as "Meet Mr. Lincoln," a pictorial biography by Richard Hanser and Donald B. Hyatt. "Meet Mr. Lincoln" was given to the Antioch Township Library in memory of Mrs. Anna J. Kopriva.

Two volumes of Dodd, Mead & Company's great series, Great Illustrated Classics, have been given in memory of Mrs. Mary Pechousek. They are "A Tale of Two Cities" by Charles Dickens and "Lorna Doone" by R. D. Blackmore.

"Inside the Vatican," by Corrado Pallenberg, gives a fascinating account of daily life inside the Vatican. In describing the various functions of the Papacy, Mr. Pallenberg informs the reader of much of Catholic history, beliefs and prominent personalities. "Inside the Vatican" was given in memory of Mrs. Pechousek also.

Louis L. Snyder has given us a remarkably concise history of the military and political events of World War II in his new book. Titled simply, "The War," this 574 page volume is an excellent reference for the 1939-1945 span of years and of the war crimes trials and the peace negotiations. "The War" is available at the library in memory of Hanaford E. Shepard.

For everyone who has children in their home or who works with children, the beautiful new edition of "Children's Literature" will be a veritable treasure. This large anthology was compiled by Edna Johnson, Evelyn R. Sicks and Francis Clarke Sayers. It covers every field from nursery rhymes and poetry to history and biography. "Children's Literature" was given in memory of Mrs. L. O. Bright.

Carnival Scheduled

BRISTOL, Wis.—A carnival for young and old will be held Saturday, November 5, in the Bristol Methodist church basement sponsored by the Junior Church Organization with games, food and fun for everyone.

It will be in operation from 2 to 3:30 in the afternoon and from 7 to 8:30 in the evening. Coupons worth a certain amount of credit in the games are being sold ahead of time or may be purchased Saturday.

Sponsors said the carnival will be appealing particularly to children.

204.88 feet West of said point of beginning; thence South 21 degrees, 27 minutes East, 290.0 feet to a point which is 270.13 feet South and 105.76 feet East of the last described point; thence continuing South 21 degrees, 27 minutes East, 20.0 feet; thence North 62 degrees 23 minutes East, 48.2 feet, more or less, to a point in a line which is drawn West at right angles from the East line of said Quarter Quarter Section at a point 331.38 feet South of the point of beginning; thence East along the last described line, 49.1 feet, more or less, to the East line of said Quarter Quarter Section and thence North 331.38 feet to the point of beginning.

New Marines Report After Holiday Period

The U. S. Marines agree that it's nice to be home for the holidays. They have come up with an enlistment plan that allows young men to join the Marine corps now and report for active duty after the Christmas holidays.

According to Sergeant Guy Harwood, in charge of the Waukegan Marine recruiting office, the time spent at home after enlistment and before reporting for active duty will count toward the men's total military obligation, and also for pay and promotion purposes.

Sergeant Harwood pointed out that all recruits enlisted under this system (known as the Code "J" plan), will be sent to San Diego, Calif., for "bootcamp" after Christmas.

This period is followed by individual combat training, also in Southern California, after which the new Marines will be given leave before reporting to one of the many specialist schools or to a regular unit.

The Marine Recruiting office is located in the Federal Office building, 325 Washington Street, Waukegan.

MESSIAH REHEARSALS TO START NOVEMBER 13

The vocal group of the Antioch Township High School Music Department will begin the first of three rehearsals of the Christmas portion of the Messiah at 2:30 p.m. Sunday, November 13. Their first rehearsal will be in the high school gym; later dates to be announced.

This "Christmas Gift" to the community will be presented on December 4.

"Any persons in the community who would like to join this group are invited to do so," Ken Smouse, the director, said Wednesday.

Sequoits To Take On Wauconda Saturday

Local Gridders Still Seeking That First Win

Antioch high's luckless Sequoit football team hopes to go out like a lion Saturday afternoon in the final game of the season at Wauconda.

"I think we'll really be up for this one," Coach Robert Walther said today.

"We have good offensive and defensive plays, and, being that it's their last game, a lot of the fellows want to make it a real contest."

The Sequoits, often high scorers, have still to win their first game this season.

Team play Saturday may be hampered by the expected loss of Charlie Schuth, quarterback, who has been out of school with a cold.

The halfbacks, Ray Partipillo and Lance Keisler, who have been laid up with minor injuries, are expected to be on the field at Wauconda.

Within two years, Walther said, Antioch should be fielding a championship team. The frosh-soph 28-0 last Saturday, has given him high hopes.

"Their coach, Douglas Risberg, is doing a great job," he said.

The varsity was not so fortunate as their younger counterparts at Grayslake Saturday.

They were defeated 25-0 in a game that will not be discussed further.

Kickoff time for the varsity game at Wauconda is 2:30 p.m. Saturday. The frosh-soph game is at 12:30 p.m.

Falcons Close Season With 3 Wins, 5 Losses

PADDOCK LAKE, Wis. — Salem Central High school football coach Roger Terry is looking forward to a better season, all around, next year.

He looks back on the 1960 with mixed emotions. It could have been better—the Falcons wound up with a record of 3 wins and 5 losses. But it could have been worse—they ended up in a three-way tie for second place with Walworth and Union Grove.

His regular squad was riddled this season by injuries and illness. As many as three or four seniors were out in some games.

Next year, the Falcons will have 21 veteran seniors on the squad. There will also be 18 juniors—who as members of this year's sophomore team racked up a total of 7 wins against one loss.

"There was good spirit, and we

had a good bunch of boys, but the injuries and illness licked us," said Terry.

The Falcons closed out the season last week with a 25-13 victory over Big Foot. Jim Urban scored the first Falcon touchdown in the second quarter on a plunge. Big Foot came back with a score on a 50-yard run by Theron Amborn. Jeff Grumbeek went off tackle on a 14-yard run for Salem's second touchdown, and he also made the extra point.

In the second half, Andy Agüero scored on a quarterback sneak. The Falcons tried an onside kick, recovered the ball, and Urban scored again on a three-yard plunge, set up by two passes from Agüero to Glenn Schultz and Jim Hofer. Amorn scored Big Foot's second touchdown in the third quarter on a 12-yard run.

Great Lakes Dragaway Ends Season Sunday

The Great Lakes Dragaway, Union Grove, Wisconsin, will close out its most successful drag racing season with its sixth major event of the year this coming Sunday.

There will be savings bonds awarded to the winners in every division and a special award will be given to the top speed winner in every class.

Many of the Dragsters and other types of competition machines that have raced at the Union Grove drag-strip throughout the past year will be on hand for this last big meet of the 1960 season.

Among the large turnout of machines expected will be from 8 to 10 gas dragsters and 4 to 6 fuel burning dragsters. Fuel other than gas such as nitro, alcohol or benzene. With the long winter ahead, a turnout of 250 to 300 machines in all of the 54 classes are expected.

In addition, there will be a rematch of the triple 2 out of 3 match race held October 16. In all three of the previous matches, Wisconsin drivers were victorious over the men from Illinois.

With this triple defeat to make up for, some of the best drag racing of the year will be seen, as the Illinois drivers will go all out to make up for this triple defeat.

Third nationally ranked Palmer Lazarus of Chicago will again try to replace Mike Marinoff as the No. 2 nationally ranked driver in the B/Gas Coupe and Sedan class. Dee Elliott of Westmont, Ill., formerly the national title holder in the D/Gas Coupe and Sedan class, will try to regain his crown at the expense of Arnie Krueger of Milwaukee, Wis. Krueger, formerly ranked No. 4, defeated Elliott on the third run by .04 of a second after each driver had taken one win apiece.

In the B/Drugster class, Lel Fisher of Milwaukee will attempt to make it two in a row over Rich Warner of Geneva, Illinois. Werber has never lost twice in a row and has stated he will beat Fisher this next time out.

These drivers are all state champions in their class from their respective states, two are repeats from 1959 while Marinoff and Lazarus have held their state title for 4 and 5 years respectively.

Due to this huge program, races will start a half hour earlier, or at 1:30 p.m. for this event.

The strip is located 10 miles north of the Illinois-Wisconsin state line on Highway 45 at Union Grove, Wis.

Antioch Scouts Starting Season

The Antioch Scouts semi-pro basketball team takes on its first challenger Tuesday night.

Their opponents, in the gymnasium at Antioch Township High School, will be St. Mary's of Waukegan, winners of two Catholic tournaments last season.

A final practice session for the local team will be held in the school gym tonight. Tom Poulos, manager, says men interested in participating in the sport may contact him at Antioch 883.

Last year the Scouts captured the league title with a 13 win and 2 loss record, after losing their first two games.

The local team also set two league records: The most points (106) scored in a single game, and the most field goals (15).

The Scouts also scored the most offensive points, 1,250, and had the least scored on them, 1,054.

Out of the top 10 individual scorers in the league, two, Jack Pregenzer and Art Smejkal, were from the Antioch team.

Pregenzer, 6-5, and Smejkal, 6-3, are among players returning this season. Others returning are Al Reckers, 6-1; Sid Parker, Mike Haviland and LeRoy Gallagher.

Team newcomers include Doug Risberg, Don Blackburn and Don Cardiff.

Schedules for the coming season are posted in the windows of most downtown merchants.

Fall Festival

The Beachwood-Bluffs Park Improvement Association will have its Annual Fall Festival Saturday night at Ed Clemen's Resort on Petite Lake. There will be free refreshments.

Hunters Warning

An experienced hunter always checks his gun barrel for obstructions, such as snow or dirt, and carries shells of only one gauge—the gauge of the gun with which he is hunting.

Make sure the muzzle is not pointing at a partner and always unload the gun before crossing a fence. Be sure of your target before firing, and remember it is illegal to transport a loaded gun in a car. When carrying a gun in a car, the gun must be cased.

Guns and ammunition should be stored in separate places, and safe from the hands of children.

These warnings come from Glen D. Palmer, director of the Illinois

The Antioch Grade school will be the scene of a Cub, Boy and Explorer Scout leaders roundtable for all unit leaders, committeemen and den mothers at 7:45 p.m. Wednesday, November 9.

Department of Conservation.

"During the 1959-60 season seven hunters were killed and 12 injured in shooting accidents," Palmer said.

for other Scout meetings.

The session November 9 is the only one scheduled for Antioch.

Star, and Life Scout board of review will take place at 8 p.m. Tuesday, November 1, at the Grayslake village hall.

A meeting of district commissioners is scheduled the same evening and the same time at the Round Lake school.

Yellow lines on highways are placed there for the driver's protection, says the Chicago Motor Club. Single yellow lines mean no passing when they are in your lane. A double yellow line indicates a no-passing zone for drivers on both sides of the highway. Never cross a yellow line; it always means the road ahead is a no-passing zone.

Sequoits To Take On Wauconda Saturday

Local Gridders Still Seeking That First Win

Antioch high's luckless Sequoit football team hopes to go out like a lion Saturday afternoon in the final game of the season at Wauconda.

"I think we'll really be up for this one," Coach Robert Walther said today.

"We have good offensive and defensive plays, and, being that it's their last game, a lot of the fellows want to make it a real contest."

The Sequoits, often high scorers, have still to win their first game this season.

Team play Saturday may be hampered by the expected loss of Charlie Schuth, quarterback, who has been out of school with a cold.

The halfbacks, Ray Partipillo and Lance Keisler, who have been laid up with minor injuries, are expected to be on the field at Wauconda.

Within two years, Walther said, Antioch should be fielding a championship team. The frosh-soph 28-0 last Saturday, has given him high hopes.

"Their coach, Douglas Risberg, is doing a great job," he said.

The varsity was not so fortunate as their younger counterparts at Grayslake Saturday.

They were defeated 25-0 in a game that will not be discussed further.

Kickoff time for the varsity game at Wauconda is 2:30 p.m. Saturday. The frosh-soph game is at 12:30 p.m.

Falcons Close Season With 3 Wins, 5 Losses

PADDOCK LAKE, Wis. — Salem Central High school football coach Roger Terry is looking forward to a better season, all around, next year.

He looks back on the 1960 with mixed emotions. It could have been better—the Falcons wound up with a record of 3 wins and 5 losses. But it could have been worse—they ended up in a three-way tie for second place with Walworth and Union Grove.

His regular squad was riddled this season by injuries and illness. As many as three or four seniors were out in some games.

Next year, the Falcons will have 21 veteran seniors on the squad. There will also be 18 juniors—who as members of this year's sophomore team racked up a total of 7 wins against one loss.

"There was good spirit, and we

had a good bunch of boys, but the injuries and illness licked us," said Terry.

The Falcons closed out the season last week with a 25-13 victory over Big Foot. Jim Urban scored the first Falcon touchdown in the second quarter on a plunge. Big Foot came back with a score on a 50-yard run by Theron Amborn. Jeff Grumbeek went off tackle on a 14-yard run for Salem's second touchdown, and he also made the extra point.

In the second half, Andy Aguerro scored on a quarterback sneak. The Falcons tried an onside kick, recovered the ball, and Urban scored again on a three-yard plunge, set up by two passes from Aguerro to Glenn Schultz and Jim Hofer. Amborn scored Big Foot's second touchdown in the third quarter on a 12-yard run.

Great Lakes Dragaway Ends Season Sunday

The Great Lakes Dragaway, Union Grove, Wisconsin, will close out its most successful drag racing season with its sixth major event of the year this coming Sunday.

There will be savings bonds awarded to the winners in every division and a special award will be given to the top speed winner in every class.

Many of the Dragsters and other types of competition machines that have raced at the Union Grove dragstrip throughout the past year will be on hand for this last big meet of the 1960 season.

Among the large turnout of machines expected will be from 8 to 10 gas dragsters and 4 to 6 fuel burning dragsters. Fuel other than gas such as nitro, alcohol or benzene.

With the long winter ahead, a turnout of 250 to 300 machines in all of the 54 classes are expected.

In addition, there will be a rematch of the triple 2 out of 3 match race held October 16. In all three of the previous matches, Wisconsin drivers were victorious over the men from Illinois.

With this triple defeat to make up for, some of the best drag racing of the year will be seen, as the Illinois drivers will go all out to make up for this triple defeat.

Third nationally ranked Palmer Lazarus of Chicago will again try to replace Mike Marinoff as the No. 2 nationally ranked driver in the B/Gas Coupe and Sedan class. Dee Elliott of Westmont, Ill., formerly the national title holder in the D/Gas Coupe and Sedan class, will try to regain his crown at the expense of Arnie Krueger of Milwaukee, Wis. Krueger, formerly ranked No. 4, defeated Elliott on the third run by .04 of a second after each driver had taken one win apiece.

In the B/Drifter class, Lel Fisher of Milwaukee will attempt to make it two in a row over Rich Warner of Geneva, Illinois. Werber has never lost twice in a row and has stated he will beat Fisher this next time out.

These drivers are all state champions in their class from their respective states, two are repeats from 1959 while Marinoff and Lazarus have held their state title for 4 and 5 years respectively.

Due to this huge program, races will start a half hour earlier, or at 1:30 p.m. for this event.

The strip is located 10 miles north of the Illinois-Wisconsin state line on Highway 45 at Union Grove, Wis.

Antioch Scouts Starting Season

The Antioch Scouts semi-pro basketball team takes on its first challenger Tuesday night.

Their opponents, in the gymnasium at Antioch Township High School, will be St. Mary's of Waukegan, winners of two Catholic tournaments last season.

A final practice session for the local team will be held in the school gym tonight. Tom Poulos, manager, says men interested in participating in the sport may contact him at Antioch 883.

Last year the Scouts captured the league title with a 13 win and 2 loss record, after losing their first two games.

The local team also set two league records: The most points (106) scored in a single game, and the most field goals (15).

The Scouts also scored the most offensive points, 1,250, and had the least scored on them, 1,054.

Out of the top 10 individual scorers in the league, two, Jack Pregonzer and Art Smejkal, were from the Antioch team.

Pregonzer, 6-5, and Smejkal, 6-3, are among players returning this season. Others returning are Al Reckers, 6-1; Sid Parker, Mike Haviland and LeRoy Gallagher.

Team newcomers include Doug Risberg, Don Blackburn and Don Cardiff.

Tender, Tasty, Pot Roast!

Even when buying a more economical cut like Pot Roast, you want it to be lean and tender cooking! That's why Jewel buyers follow a strict policy in selecting only U.S. Choice grade beef for you.

All Jewel beef must be graded U.S. Choice by inspectors of the Department of Agriculture. (This grading is based on the amount and distribution of fat... and firmness and texture of the lean.) Then Jewel buyers make a further inspection themselves. They carefully choose only the "best" of this one high grade of beef.

No wonder Jewel Blade Cut Pot Roast is so delicious!

Channel Lake Cub Scouts Really Outdo Selves At Halloween Party

By Pearl Kapell

CHANNEL LAKE—Cub Scouts of Pack 86 combined their monthly Pack meeting with a Halloween party Friday night.

Den 1 opened the meeting with the presentation of colors. Cubmaster John Eckert presented a Bobcat pin to Brian McCarthy; Wolf badges to Michael Soby and Raymond Frank; a Lion badge to Doug Runyard; Denner's stripe to Marty Peters; Assistant denner's stripe to Dennis McCarthy; a one year pin to Raymond Frank; 50th Anniversary awards went to Dennis McCarthy, Allen Kriesant, Raymond Frank, Marty Peters, Bud Harris, Sam Harris, Doug Runyard, and Tom Runyard. Bill Ganzer received the Jubilee award.

A skit in observance of Fire Prevention week was presented by the boys, with the assistance of some of the adults.

Cornelius Lulofs served as the voice of Professor Von Firesnooper, with Cub Scout Doug Runyard acting part; Lee McKinney was the voice of Inspector of Fire Hazard,

played by Craig Patterson; Glenn Dowell was the voice for the book of matches, played by Bruce McKinney, Octopus outlet represented by Brian McCarthy, and Outdoor Fire represented by Guy Trussell.

Mike Dowell represented trash stored in attics, garages, etc.; John Eckert, Jimmy Ward and Tim Trussell were the three parts of fire—oxygen, heat and combustible material.

A highlight of the Halloween party which followed the meeting was two Mexican pinatas, suspended from the ceiling.

The pinatas were papier mache pumpkins, filled with candy and balloons. Each child present, blindfolded, was given a turn at trying to hit and break open the store of goodies, with all the other children ready to scramble to retrieve the shower of goodies which would follow the breaking.

After several unsuccessful attempts, the pinata was finally broken by Jimmy McCarthy.

Many of the Scouts and some adults were in costume for the party. Prizes went to Joan Bjork, pre-school group, as a fairy princess; Colleen Ward, school age girl, as a witch; Allen Kriesant, boys, dressed as a lady and Bob Lemke as a clown.

It was announced that the next Cub Scout Round Table would be at the Antioch Grade school on November 9, with opening ceremonies conducted by Pack 86. Boys who will participate will be Doug Runyard, Sam Harris, Martin Lulofs, Mark McKinney and Den Chief Terry Dowell.

All parents are invited to attend the next committee meeting, to be held at the school at 8 p.m. on Friday, November 4. Arthur Soby will be in charge of the program for next month's pack meeting, the theme of which will be "New Worlds".

The Cub Scouts of Pack 86 were taken on a conducted tour of the Antioch Fire department October 27.

The next Cub Scout's pack meeting will be on November 18, instead of November 25. Parents are reminded they are supposed to be working with their sons on their conception of what the world will be like 20 years from now.

Scouts Hold Honor Court

By Pearl Kapell

CHANNEL LAKE—The Court of Honor of the Boy Scouts of Troop 86, held at the Channel Lake School October 25, was opened with the showing of colored slides by Neighborhood Commissioner Jim Bruski. The pictures were ones he took while attending the Boy Scout Jamboree at Colorado Springs last summer.

Scoutmaster Ray Atwood then opened the presentation of awards to the boys with the traditional candle-lighting ceremony.

A Den Chief's Warrant—the first earned in the Troop—went to Cal Trussell.

Tenderfoot badges were presented to Richard Libowski, Jim White and Chuck Stankus; second class pin to Kevin Jarvis; First Class pin to Bobby Willis; Star Scout awards to Albert Gruidl, Roger Eberman and Terry Senesman; 50th Anniversary Achievement awards went to Jim McCarthy, Joe Ring, Bob Willis and Terry Dowell.

Merit badges were presented to Mike Roepenack for Citizenship in the Home; Terry Dowell for Personal Fitness; John Patterson for Personal Fitness; Joe Ring for Personal Fitness; Roger Eberman for Home Repairs; Bob Willis for Personal Fitness and Home Repairs.

At the close of the ceremonies, coffee and cake were served by the Women's Auxiliary of Troop 86.

Checklist Helps Judge Your Child

Before the school term has progressed too far, you may want to check on your child's adjustment to grade school.

Mrs. Marguerite Lynch, University of Illinois extension family life specialist, says that good school adjustment involves the child's character and emotional control.

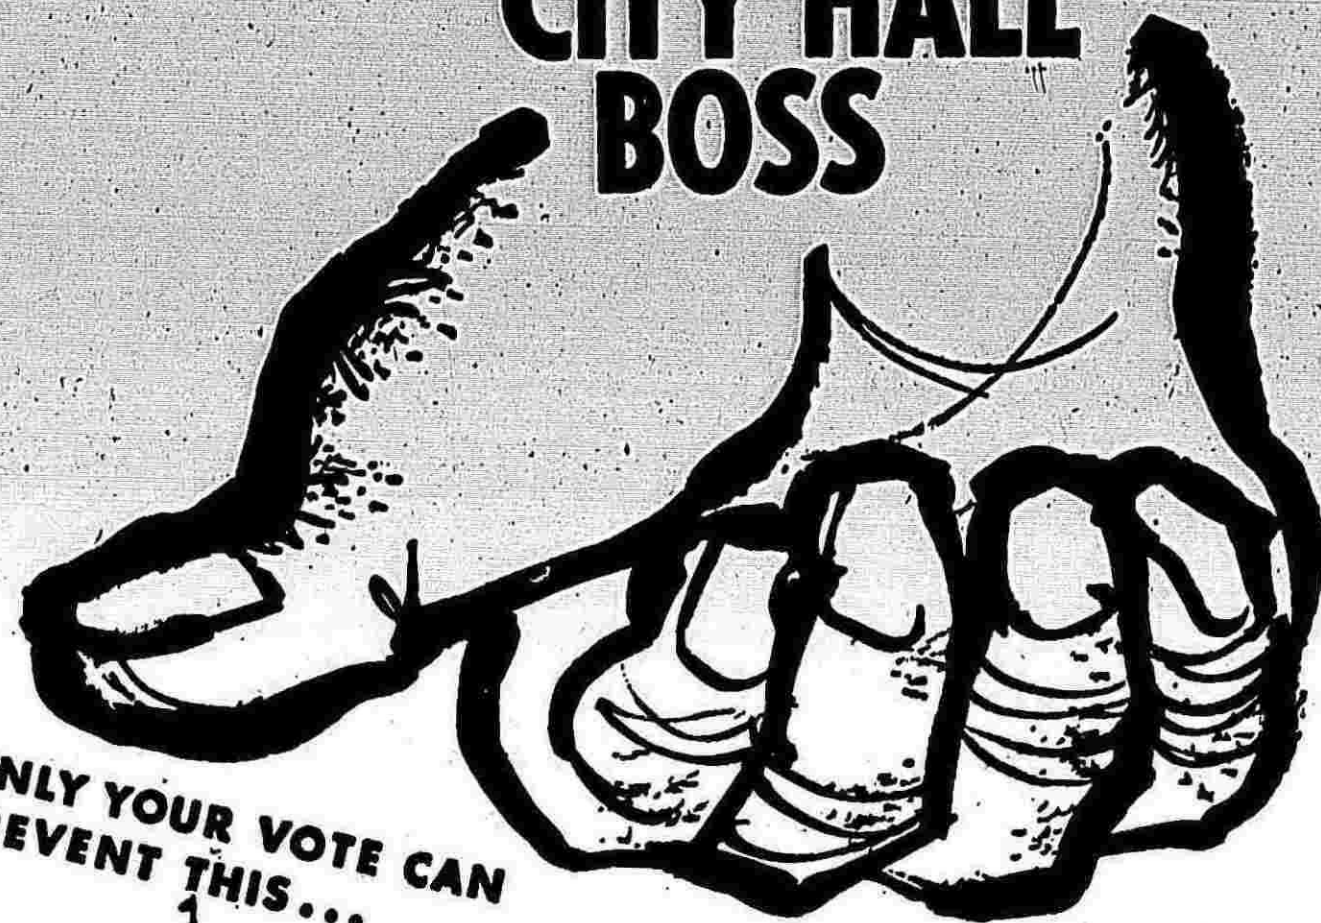

Here's a checklist to help you judge how well your child is doing:

1. Does he play well with other children? 2. Is he respected by his own age group? 3. Does he appear to be happy? 4. Does he have reasonable control of his emotions? By grade school years, a child should be able to face disappointment and failure without throwing a tantrum. He should also be able to take joy and success in stride.

5. Can he be depended upon most of the time? 6. Is he achieving somewhere near capacity according to his mental ability? 7. Is he able to think for himself? 8. Does he stand on his own feet and not blame others for his mistakes? 9. Is he kind and helpful to teachers and classmates, not a bully or trouble-maker or "apple-polisher"? The more "yes" answers you get to these questions, the better adjusted your child is. With many "no's" you'd do well to talk things over with his teachers.

This advertisement appeared four years ago. The message it contains is just as timely now as it was then.

This is the man who may have saved your life

...or the life of someone dear to you!

CHARLES F.

CARPENTIER
SECRETARY OF STATE

In 1953, your Secretary of State, Charles F. Carpentier, successfully fought for the passage of a New Illinois Drivers' License Law... hailed by traffic experts as one of the best in the nation.

Since that time Secretary Carpentier has been foremost in the fight for highway safety. Evidence of his aggressive leadership and intelligent administration is shown by the fact that he has revoked, suspended or cancelled the driving privileges of more than 140,000 "drunken, reckless or negligent drivers!"

One of them might have killed you... or someone dear to you!

During the time that Charles F. Carpentier has been in office, almost 1,000,000 more vehicles and

drivers have crowded onto Illinois highways—yet the death rate on our highways has been decreased each year. If the ratio of deaths in 1952 had continued during the past seven years it has been estimated that more than 3,400 additional persons would have been killed.

Because of Charles F. Carpentier, your Secretary of State, and his strict, honest, forceful administration of the Drivers License Law, this did not happen.

When you vote for Secretary of State Charles F. Carpentier you will vote to save lives... and the life you save may be your own!

Remember, keep highway-safety FIRST... re-elect Charles F. Carpentier!

Keep Highway-Safety FIRST

Richmond Group To Hear Trapper

RICHMOND, Ill.—Joe Duffin, one of the better known fox trappers in the midwest, will speak at a public meeting in the Richmond Game Fields clubhouse on route 173 just east of Richmond at 8 p.m. Saturday, November 5.

The Kenosha, Wis., resident once trapped more than 1,200 foxes in an eight month period in addition to a large assortment of skunks and raccoons. Bounties he received have gone to the Boy Scout movement.

Duffin works nights for a living and traps foxes only as a hobby, without any thought of profit from his trapping work.

Because of his working hours he is limited as to how much trapping he can do.

Earlier this year he told friends he is willing to give instructions in fox trapping without charge and that he is willing to appear before groups as often as time permits just for his expenses.

His appearance in Richmond will be open to the public.

Small Crowd Greets Kuehn

PADDOCK LAKE, Wis.—A relatively small crowd was on hand on the football field at Salem Central high school last Thursday noon to greet Republican candidates for state and county office.

Possibly one reason for the crowd of perhaps 25 people was the fact that a heralded arrival by helicopter by Philip G. Kuehn, candidate for governor, did not come off, due to mechanical troubles.

Instead Kuehn and Earl D. Morton, GOP candidate for the state senate from this area, came in a station wagon covered with party posters.

Observers surmised that some people were waiting for the helicopter to fly over or land before they made their way to the field.

Russell A. Olson, Republican candidate for assemblyman from the 2nd district that includes western Kenosha county, was among those present.

Kuehn, Morton and Olson had an opportunity to meet the people and chat with them but no formal speeches were made.

From Paddock Lake they went to Wilmet high's field and then on to Twin Lakes for more informal meetings.

Kuehn and his party were to pick up the helicopter Thursday afternoon at Twin Lakes.

Rev. Schadeberg Talks at Bristol

BRISTOL, Wis.—"The home is the very backbone of our national freedom, and it is the responsibility of parents to educate, inspire and challenge their children to face the reality of life without fear," Rev. Henry C. Schadeberg of Burlington told the Bristol State Graded P.T.A. at its recent meetings.

Adults and children reflect the effect of their home life. The ability to adjust to life's difficulties and responsibilities, development of respect for authority and consideration for human personality stems from the discipline of love not anger within the home, Rev. Schadeberg told the parents.

Parents should be more critical of the level of literature and television habits within the home, he stated in his address, "Family Affairs."

Plans for a Thanksgiving card party to be held November 12 at the school were completed at the meeting. A ten-pound turkey will be awarded.

Christmas novelties made by members of the organization will be displayed for sale.

Livestock Show Opens 61st Year

Largest of the nation's agricultural shows, the International Live Stock Exposition, will celebrate its 61st anniversary November 25 to December 3.

It will be held in the 13-acre International Amphitheatre and a wide area of the nearby Chicago Stock Yards. The management anticipates animal listings for the show will reach the 10,000 mark by the time a final tally is made after the close of entries this week.

Prominent live stock breeders and feeders from near and far, boys and girls from farm and ranch, and leading horsemen will combine to send their best specimens to the competitions of the Chicago Exposition that annually determines the crowning championships of the year among 38 different breeds of farm animals that will be on featured display.

Big Cattle Show
All breeds of dairy cattle, as well as beef cattle, will be seen in competition at the Exposition this year, following its merger last year with the International Dairy Show.

New ideas for 1961 farm practices will be depicted in a much enlarged farm equipment show at this year's Exposition over any past year, the management reports.

It will reveal the newest in farm tractors, including the largest one ever built for farm use. It weighs 13 tons. The latest in automatic feeding equipment and new stock handling systems will also be features of the farm equipment show at the Chicago livestock exposition.

To Feature Rodeo
Championship rodeo competition will be an added feature of the International Horse Show. Six contest events will be staged at each of the 14 Horse Show-Rodeo performances, November 25 to December 3: saddle bronc riding, steer wrestling, bareback bronc riding, calf roping, girls' barrel racing, and exciting contests where cowboys will test their skill and stamina to stay aboard hard bucking, fast whirling and always dangerous Brahma bulls.

Exposition officials predict an attendance of more than 400,000 visitors.

Pvt. Case Completes Course in Photography

FORT MONMOUTH, N. J.—Pvt. Leonard S. Case, son of Mr. and Mrs. Leonard S. Case of Route 3, Antioch, Ill., has completed the 12-week still photography course at the Army Signal School, Fort Monmouth, N. J.

Case was trained to take black and white and color photographs of ground and aerial subjects for technical, tactical and public relation purposes.

He entered the army last May and completed basic training at Fort Leonard Wood, Mo.

The 25-year-old soldier is a 1953 graduate of Antioch high school and was employed by Kleerwrap Inc., before entering the army.

You have a date—November 8—to VOTE for OTTO KERNER for GOVERNOR

"The Sun-Times endorses Otto Kerner, the Democratic nominee for governor. He is a man of substance, dignity and accomplishment who could bring to Springfield a moral leadership in State house politics that has been lacking for the past 8 years."

Chicago Sun-Times, October 20, 1960

"Judge Kerner has a brilliant record as a lawyer, jurist, soldier, humanitarian and civic leader. He has not been tainted by the slightest breath of scandal. He should make an excellent governor."

The Rockford Register-Republic, an outstanding Republican newspaper, August 22, 1960.

"The governor has based his entire campaign on his record, which certainly is spotty, to put it charitably, and on his tirades against Chicago's City Hall. He is attempting to arouse downstate against Chicago. . . . We believe governor Stratton has earned defeat, and that Judge Otto Kerner is deserving of the support of any independent voter or independent Republican who is not afraid to cross party lines."

Gibson City Courier . . . a Republican Newspaper, October 6, 1960.

"We believe Kerner to be a man of firm personal integrity, highly intelligent, and well informed. He has a realistic understanding of great problems now confronting the state. He should be persuasive with the legislature and the people in finding solutions as satisfactory as possible under the circumstances."

Chicago Daily News, October 18, 1960.

VOTER'S CHECK LIST

- | This | or | This |
|---|--------------------------|---|
| <input checked="" type="checkbox"/> A governor who will use the powers of the governor's office for the benefit of ALL the people of the state, without regard for race, color, creed, geography or political persuasion . . . a man of conscience, integrity and independent thought. | <input type="checkbox"/> | A governor who has been repudiated by traditionally Republican newspapers because they are convinced he has been more interested in the building of a personal political machine than in serving the needs of our citizens. |
| <input checked="" type="checkbox"/> A governor who will give us a morally responsible state administration with men and women of integrity in positions of trust. | <input type="checkbox"/> | A governor whose administration has been marred again and again by headline scandals. "Theft of state funds by state auditor." "Land purchase manipulations by toll way officials." "Tax scandal involves chief administrative assistant." |
| <input checked="" type="checkbox"/> A governor who stands for a mental health program that will provide not only adequate hospital buildings and facilities; but also the necessary medical and psychiatric personnel to help cure those who can be cured. | <input type="checkbox"/> | A governor whose mental health program sees Illinois mental hospitals understaffed, overcrowded, under financed and overlooked . . . a disgraceful program that finds us falling steadily behind our sister states in mental health achievements. |
| <input checked="" type="checkbox"/> A governor who will provide a state administration that is financially sound and that will operate on a "performance budget", so that you will know where and how your tax money is being spent. | <input type="checkbox"/> | A governor whose administration keeps the truth about the state's financial condition from the people. At the current ratio of spending to appropriation, Illinois will be 31 million dollars short of requirements by June of 1961. |
| <input checked="" type="checkbox"/> A governor who believes that taxes should be fair and equitable throughout the state—without the introduction of a state income tax . . . a governor who will sponsor and support a new Revenue Article for the state so that you will pay only your fair share of taxes and no more. | <input type="checkbox"/> | A governor whose administration by manipulation of the so-called "multiplier" has caused undue tax burdens and inequalities in many areas of the state. |

Kids' Book Fair At Museum Sat.

How effectively books can be used for the social and individual development of children will be the basic theme of the Eighth Annual Miracle of Books Fair for Boys and Girls, to be held at the Museum of Science and Industry, Chicago, during the nine day period, from Nov. 5 to 13 inclusive.

The Fair, which in 1959 attracted more than 50,000 visitors during a similar nine-day presentation, will feature more than 3,000 of the latest and best books for the younger generation. Adding to its lure this year will be the personal appearance of Harry Golden, author of "Only in America," who will be the featured speaker at the special program for adults to be held at 11 a.m. on the opening day, Nov. 5.

One section of the Book Fair will feature picture books, fairy tales, and easy-to-read books for younger children. Mother Goose will be on hand to talk to the children from her picturesque house. The Book Witch will appear in a house of her own, a house filled with paper puppets and small surprises. Many characters from children's books will roam through the Fair. On week-ends, students from Chicago Teachers College and other groups and organizations will act out story-plays for young children.

List Honor Roll At Channel Lake

By Mrs. Pearl Kapell
Phone Antioch 1837

CHANNEL LAKE—The honor roll of the Channel Lake Grade school for the first six weeks period was as follows:

Second grade—Diane Anderson, Pat Burnette and Mike Geiger; Third grade—Danny Kutz and David Spencer; Third and Fourth grades—Joe Andiola, Randy Roberts, Deborah Stankus, Mary Lulofs and Gary Gessler; Fifth and Sixth grades—Wendy Eberman, Marty Peters and Linda Hameau; Seventh grade—Karen Roberts and Pat Serphon; Eighth grade—Mary Dahman.

Don't forget the bake sale to be held for the Cub Scouts at the Ford Garage on Saturday. Sales will start at 10 a.m.

Mr. and Mrs. Eric Nordstrom, Mr. and Mrs. Russell Nordstrom and Mrs. Ruth Bergstrom spent Sunday as guests at the Ed Baumann home. A belated birthday dinner for Tess was the occasion.

Norman Palenske left Monday for the Marine camp at San Diego, Calif., where he will begin his service in the Marine Corps.

Several children from this community made their first communion at St. Peter's church on Sunday and there were many family parties in honor of the event. Among them were Kathy Eckert, Colleen Ward, Kathleen Chase, Susan McKinney, Gene Dowell and Cathy Irmen.

There weren't any ghosts or goblins in evidence at the Pinspotter's league Friday night, but Mighty Mouse was there, and a group of very authentic beatniks.

The beatniks, normally the team known as Marty's Morgue, took the team prize for best costumes, and Mighty Mouse took first place in individual prizes. Those glamorous cigarette holders the beatniks were sporting were really pea shooters, and they smelled pretty bad when the girls lit up. Winning the prize was a nice birthday present for Myrtle Sampayo—Friday was her birthday.

Mr. and Mrs. Emil Frozeth celebrated their 37th wedding anniversary on October 27. They were guests of Mr. and Mrs. Bob Lemke (Lorraine Lemke is their daughter) for dinner out, in honor of the occasion, on Sunday. Accompanying them was Mrs. Gunnar Miller of Grand Haven, Mich., who is a house guest of the Frozeths. Mrs. Miller just returned from spending the summer in Sweden, visiting her nine brothers and sisters. And though she enjoyed her visit, she's glad to be back in the United States.

Saturday is "Give Your Wife a Break" day at Channel Lake. So take your family to the spaghetti dinner, sponsored by the P.T.A., at the Channel Lake school, from 5 to 8 p. m. November 5. High chairs furnished for the little ones. So the time your wife doesn't have to spend cooking dinner, you can put her to work raking the yard—or sewing buttons on your shirts.

Mr. and Mrs. Joe Gutowski became the parents of a boy, born at Victory Memorial hospital on Sunday, October 30. The little seven pound, six ounce baby has been named James Anthony.

Raymond Wisniewski Driver in Accident

An Antioch motorist, Raymond Wisniewski of Hickory lane was taken to a Waukegan hospital last Wednesday evening after the car which he was driving struck a utility pole just north of the Illinois state line on highway 83.

Kenosha county sheriff's deputies said the vehicle went off the pavement, skidded about 90 feet and struck the pole, snapping it at the base. The auto was demolished.

How To Protect Your Rose Bushes

A University of Illinois landscape specialist suggests protecting rose bushes this winter by banking earth around the base of each plant.

William Nelson advises "hilling up" the earth about 6 to 8 inches. If the plant beds are small, bring in soil so that digging will not ex-

pose the roots of the plant.

Rose bushes should be banked any time after the first hard freeze, but before the ground freezes. By now most of Illinois has had the first freeze.

Home gardeners in northern Illi-

nols should also mulch the plants to give them further protection. Use straw, leaves or corncocks. But use leaves only if the plants are free from diseases.

Apply the mulch over the soil banked against the plant.

It's 10° cooler when you cook in a flameless electric kitchen

Heat from an electric range goes where it's intended to go: in the pan and directly into foods—not into your kitchen. The oven is insulated on all six sides (not just five). Hardly any heat escapes.

Clean as electric light. With no flame burning, no dirt is created to soil walls

and ceilings or blacken pots and pans. Your kitchen, and everything in it, stays clean about twice as long.

When you build, buy an appliance or remodel your kitchen, keep in mind the clean, fume-free cooking you get in a flameless electric kitchen.
